Crop Diversification Programme

*508. SHRI MANOHAR JOSHI: Will the Minister of AGRICULTURE be pleased to state:

(a) whether a plan has been formulated to improve soil and launch a new crop diversification programme;

(b) if so, the details thereof; and

(c) the States where it is proposed to be launched?

THE MINISTER OF AGRICULTURE (SHRI SHARAD PAWAR): (a) to (c) The Ministry of Agriculture has been promoting diversification from cereal centric cropping systems to high value and low water requiring crops especially oilseeds, pulses, fruits, vegetables, medicinal and aromatic plants, etc. while keeping in view the National Food Security. Balanced and integrated use of nutrients is being promoted under Macro Management Scheme to improve the soil fertility and soil health. The States are encouraged to include Crop Diversification programmes Under Macro Management Scheme taking into consideration the land and water resources. Under Integrated Scheme on Oilseeds, Pulses, Oilpalm and Maize (ISOPOM), the crop diversification is taken up for promotion of oilseeds, pulses and maize in major States since 2004-05. The National

Horticulture Mission has been lanunched during 2005-06 to promote horticultural crops in the country in addition to the Technology Mission for the lntegrated Development of Horticulture already in operation since 2001-02 in the North Eastern States including Sikkim and since 2003-04 in Jammu & Kashmir, Himachal Pradesh and Uttaranchal.
